

## Clinical staff at Madonna Rehabilitation Hospital comprised of highly specialized experts

As a nationally recognized hospital solely dedicated to medical rehabilitation, Madonna has developed a clinical staff of highly specialized experts in rehabilitation.

### **Andrew Bohart, MD, FACP** *Vice President of Medical Affairs*

Dr. Bohart received his medical degree from Creighton University, Neb., and completed his residency at Northwestern University in Ill. He is board certified in internal medicine and was awarded Fellowship in the American College of Physicians.

In his role as Vice President of Medical Affairs, Dr. Bohart provides input into clinical practices and protocols, hospital strategic planning, marketing, and administrative procedures. He is responsible for the administration and clinical supervision of the Medical Services and Physician

Services departments of Madonna. Dr. Bohart is a member of the Nebraska Internal Medicine, PC, practice.

Dr. Bohart lives in Lincoln with his wife, three children and three dogs. The Boharts enjoy snow and winter activities, so often vacation in Minnesota. Dr. Bohart also likes to read fiction books, especially author John Heassler.

### **Eric Hartman, MD** *Program Medical Director Brain Injury Program*

Dr. Hartman received his doctorate in medicine from St. George's University School of Medicine in Granada, Wis., and completed his residency in physical medicine and rehabilitation at Baylor College of Medicine. He is board certified in physical medicine and rehabilitation with subspecialty in traumatic brain injury and stroke.

In his role as Program Medical Director, Dr. Hartman develops and implements individualized treatment plans for patients, provides input into overall brain injury program planning across Madonna's continuum of care, provides PMR consults at local hospitals and sees patients in his outpatient clinic on campus.

Dr. Hartman is married to Dr. Magda Beauchamp and they have a 19-month old daughter. In addition, Drs. Hartman and Beauchamp are very active in their church and have a strong interest in identifying new ministry opportunities.

### **Magda Beauchamp, MD** *Staff Physiatrist*

Dr. Beauchamp received her doctorate in medicine from the Ponce School of Medicine in Puerto Rico and completed her residency in physical medicine and rehabilitation at Baylor College of Medicine. She is

continued on reverse

# Now you can.

board certified in physical medicine and rehabilitation.

In her role as staff physiatrist, Dr. Beauchamp provides rehabilitation consultation for patients on the Long Term Acute Care Hospital and Sub-Acute Rehabilitation Unit at Madonna, as well as for patients in acute care hospitals in the Lincoln area. She also sees patients at her outpatient clinic on the Madonna campus.

In addition to the family's church involvement, Dr. Beauchamp is fluent in both English and Spanish.

## Wenja Zeng, MD

*Program Medical Director  
Stroke Program*

Dr. Zeng earned his medical degree from Guangzhou Medical School in China, where he received the Outstanding Graduate Award, and after completing post graduate research work in Toronto, Canada, completed his residency in physical medicine and rehabilitation at the University of Arkansas.

In his role as Program Medical Director, Dr. Zeng develops and implements individualized treatment plans for patients with stroke and provides input into overall stroke program development. He is also involved with the Lincoln Stroke Partnership, a committee of physicians and clinicians from multiple healthcare providers in the Lincoln area.

Dr. Zeng enjoys reading and watching the History and Discovery channels. He and his family vacation in China and Dr. Zeng is fluent in both Mandarin and Cantonese languages.

## Paul Krabbenhoft, MD

*Program Medical Director  
Spinal Cord Injury Program*

Dr. Krabbenhoft received his doctorate in medicine and completed his residency and fellowship training in physical medicine and rehabilitation from the University of Minnesota. He is board certified in physical medicine and rehabilitation with subspecialty of spinal cord injury. Dr. Krabbenhoft is also board certified by the American Board of Independent Medical Examiners.

In his role as Program Medical Director of Madonna's Spinal Cord Injury Program, Dr. Krabbenhoft develops and implements individualized treatment plans for patients with spinal cord injury, and provides input into overall spinal cord injury program development. He is active with the National Spinal Cord Injury Association

As someone who has personally experienced a spinal cord injury, Dr. Krabbenhoft, or "Dr. K" as he is known to patients and staff, is a wonderful role model for our patients. He is a sports fan and plays several wheelchair sports, including the role of second baseman for the three-time National Champion Nebraska Barons Wheelchair Softball team, and player/founding member of the Madonna Magic Wheelchair Basketball team, which won their 2008 conference.

Dr. Krabbenhoft is married with a 16-month old son and another child expected this summer. Along with playing sports, Dr. Krabbenhoft also enjoys history books.

## Kelly Thelen, RN, MSN, FNP

*Nurse Practitioner*

Mrs. Thelen received her nursing and nurse practitioner degrees from the University of Nebraska Medical Center College of Nursing.

In her role at Madonna, Mrs. Thelen provides support for all of the physicians providing coverage as needed for patients with stroke, brain injury, spinal cord injury, orthopedic, burn or other illnesses or injuries throughout the building. She also provides consultations with patients in the Rehabilitation Day Program (a day hospital) and assists with the outpatient practice.

Mrs. Thelen has provided many presentations on a wide variety of medical/rehabilitation topics at national organizations, such as the Association of Rehabilitation Nurses (ARN) and state organizations, such as the Nebraska Nurse Practitioner Association in addition to several local support groups and organizations.

Mrs. Thelen, her husband Craig and their three children live in Lincoln. They enjoy outdoor activities and church. She also likes to exercise, read and do scrapbooking.
