Cardholder's Name: _____

(As it appears on card)

Account Number: _____

Exp. Date: _____

Signature: _____

Donate online: www.madonna.org

I prefer not to receive mailings from the Madonna Foundation.

Recent grateful patients shared the following comments about their Madonna Angels:

"Brent made sure I got off the ventilator and kept my voice. He was tough but encouraging. He gave me hope."

"Chandra really made a difference in my recovery. Madonna is very lucky to have such a valuable staff

member. I knew that when Chandra got me up and going in the morning, I would have a good day."

"Thank you to Janelle for keeping me motivated and showing me that it takes time and effort. I appreciate all you have done for me."

"Everyone that took care of me was really great but Lori helped me a lot and was fun to work with — she is a great lady. Madonna is such a great hospital; I almost didn't want to go home!"

"Let me assure you that John sets the standard for what I believe should be the expectation for a rehabilitation hospital with the stature of Madonna."

"Rhonda was fun and had you doing things you didn't think you could. I could have kept her as a daughter."

"Mayra always had a smile. Push the call button and she was there!"

"I've heard that a smile is therapeutic. Sara has mastered smile therapy as well as being an outstanding therapist. Thank you!"

A grateful patient, family and friends program at Madonna Rehabilitation Hospitals

The Madonna Angel Wings Program

Maybe it was an encouraging word when you needed it most. Perhaps someone took the time to really listen to your concerns. Maybe you were inspired by the extraordinary level of expertise shown by a caregiver. If someone truly made a difference in your care or the care of your loved one at Madonna, we invite you to nominate them for a Madonna Angel Wings Award.

Any Madonna employee or volunteer is eligible to receive Angel Wings recognition. Some examples include:

- Nursing Staff
including nurses' aides and medication aides
- Therapists and Therapy Aides
- Physicians and Neuropsychologists
- Admissions Staff, Case Managers and Social Workers
- Food Services Staff and Dietitians
- Environmental Services and Maintenance Staff
- Pharmacy Staff
- Linen Services Staff
- Radiology and Laboratory Staff
- Beauty Salon Staff
- Chaplains, Volunteers and Angel Dog Teams
- Patient Accounts Staff
- Other Support Staff members

Emily Faubel and her son, Jabari, (at right) honored three special therapists in her son's life.

How the Program Works:

Simply complete the Angel Wings nomination form and place your contribution to the Madonna Foundation in the enclosed envelope. A gift of any amount is greatly appreciated. Any special comments you wish to make on the form will be forwarded to your caregiver.

Your honored caregiver will receive a "Madonna Angel Wings" pin and be recognized in employee communications. If you choose to honor an entire department, a certificate of merit will be presented to the manager of the department and the team members will be recognized.

Stroke survivor Aaron Beckwith surprised 21 members of his care team with Madonna Angel Wings awards including his nursing staff (pictured above).

Benefits of Giving:

Your gift honors and reinforces world-class care at Madonna. Funds donated in honor of employees benefit patient services by enhancing programs and technology at Madonna so that others may also experience cutting-edge patient care in a compassionate environment. Your gift is tax deductible as allowed by law and will not only support continued quality care but encourage a caregiver who exemplifies that care.
