

Madonna Rehabilitation Hospitals Pediatric Scope of Service (2.B.1)

Madonna Rehabilitation Hospitals is a leading regional provider of pediatric rehabilitation services for infants and children through 19 years of age. Families requiring highly specialized rehabilitation services following illness or acquired injuries such as brain injury, spinal cord, or stroke come to Madonna to access our focused pediatric services provided throughout the continuum of care on the Lincoln and Omaha campuses. Families learn how to return home, impact burden of care, and return to life following illness or injury.
