

Madonna Rehabilitation Hospital Omaha (MRH-O)

Fast Facts FAQs July 1, 2016–June 30, 2017

How much experience does Madonna have treating people like me?

- Last year, Madonna served 290 persons in the acute rehabilitation hospital in Omaha (MRH-O).
- The average age was 56 years, including 25 children and adolescents.
- Diagnoses included the following:
 - Brain Injury—68
 - Stroke—97
 - Non-Traumatic Spinal Cord Injury—11
 - General Neurological Conditions—13
 - Orthopedic Conditions—39
 - Other Medical Conditions—62
- Unlike most other rehabilitation settings in Nebraska, MRH-O has specialized rehabilitation units for persons with brain injury, stroke and for adolescents and children. Physicians, rehabilitation nurses, and therapists who are assigned to these units have expertise treating people with these diagnoses.

Where do people come from?

Hospitals throughout the Midwest refer patients to MRH-Omaha.

How much therapy will I have?

- Last year, people served in MRH had an average 3.5 hours of physical, occupational, speech, psychology, and/or recreational therapy per day delivered by licensed therapists.
- As appropriate, you may also receive respiratory and nutrition therapy.

How often will I see a doctor?

You will be seen several days per week by a psychiatrist, a doctor who specializes in rehabilitation, and as needed by physicians with other specialties such as Internal Medicine, Pulmonology or others.

I have other medical problems. What happens if I get sick or have a medical emergency?

- Madonna is a hospital with clinical staff on-site 24 hours a day, seven days per week.
- 14.79% of patients returned to acute care for planned and unplanned procedures including things like additional surgery or treatment for acute medical conditions.

How long will I be at Madonna?

Individuals at MRH stayed an average of 18 days.

What kinds of outcomes can I expect?

- 70% were discharged to a community setting
- On average, patients made a 26.9 point gain on the Functional Independence Measure (FIM), which is greater than the nation (23.8) and region (25.5), and discharged with a 90 FIM score, which is higher than the nation (84) and region (86).

What do other people say about their experience at Madonna?

- 100% of patients rated their overall experience as excellent or good.
- 93% said they would “definitely” recommend MRH to family or friends.

Is Madonna accredited?

Yes, by the Joint Commission. Accreditation by the Joint Commission signifies our organization meets rigorous performance standards in delivering quality, safe care.
